

Ashford Borough Museum Society Membership

18, The Church Yard, Ashford, Kent, TN23 1QG

Would you like to support the Museum by becoming a Member?

We are looking for people who are interested in the vast history within the Borough of Ashford. Are you one of those people?

Although entry to the Museum is free, we need people to help fund raise, sit on the committee to advise on the way the Museum is run in the future.

We need people who want to keep the history of Ashford alive and in the fore front of all that is going on in this modern age.

Without your support this museum could close and everything be lost for generations to come.

You will receive a quarterly newsletter, will be permitted to vote at our AGM and be eligible for election to the Management Committee. You will automatically become a steward, helping to run the everyday openings and talking to all of the visitors from this country and abroad.

Please complete the membership form overleaf and arrange payment by one of the following methods:
